

City of Tangent

November 2021

Sewer Utility Ordinance Change

The City Council approved an ordinance changing the way sewer payments are processed. This is to reflect changes in the justice court's new ruling on processing outstanding balances. Effective immediately, any incomplete payment will be utilized to pay off the Parks and Stormwater Fees. The remaining payment amount will be applied to the sewer balance, and any outstanding balance on your sewer account will carry over.

The monthly rate is \$59.75 as of July 1, 2021. A late fee will be applied to accounts where payment has not been received by the 20th of each month. Outstanding sewer balances may be forwarded to Linn County to be placed on property taxes each July. In addition, Parks and Stormwater Fees may be entered as liens against the property if not paid after sufficient notification to the property owner.

Volunteer Opportunity

The City is accepting applications for a volunteer interested in serving on the Planning Commission. The Planning Commissioner will serve a five-year term. They will attend meetings at most twice a month, and review proposed land use development such as site plans and conditional use approvals. The seat is currently occupied, and the City Council will conduct interviews and make a selection. Applications are on the website.

Pet Waste Station

The City is currently looking into adding a pet waste station at Tangent Elementary School. Please utilize the existing five pet waste stations located at Bass Estates Park, Meadowlark Park, Pioneer Park, and two on the David Brush Trail. The "TMDL" page on our website, www.cityoftangent.org, has information on pet waste along with fertilizer, pesticides, and how to reduce our impact on the environment. Please check it out.
