Safe Routes To School Grant Funding

AAMPO recently awarded COVID Relief Grant funds to the City of Tangent (\$75,000) and Linn County (\$100,000). The City and Linn County elected to pool their grant awards to contribute to Phase III of the County's pending Safe Routes to School project and proposal, intended to improve community access to the Tangent Elementary School. Phase III includes improvements in the immediate vicinity of the Tangent Elementary School, including sidewalks, storm drainage, and a crosswalk. The total cost of this phase is just under \$250,000, the balance of which funds are yet to be located. More information is available by contacting the City Planner, Creed Eckert, at 541-223-3312 or emailing creed333@live.com.

Budget Season – Help Wanted!

Once again, the budget season has arrived. The City of Tangent is still looking for citizens in our community who would like to get involved with community service. There is an opening on the Budget Committee that needs a citizen from the City of Tangent to fill. The Budget Committee typically only meets once a year or twice if a lot of changes are made at the first budget meeting. Please visit the website, and under "Community Resources," click on "Volunteer Opportunities" to download the form. We would love to have you!

Flood Insurance Info

January has brought significant amounts of rain to the Willamette Valley, and with it, an increased risk of flooding. This has resulted in areas of the valley floor being inundated which may not typically see flooding during the average year.

It is highly advised that property owners in flood zones obtain flood insurance to help protect against losses from flooding. Following is a link to the Flood Ready website with numerous flood preparedness resources, including checklists and outreach materials: <https://www.ready.gov/floods>. Additionally, on the City's website, www.cityoftangent.org, under "Land Use & Development," select "Flood Plain" brochures to discuss the benefits of flood insurance and how to get more information.
