Subject: J&H SPR Var 22-01 ODOT OR99e Hwy 058 MP 8.75 CHAMPS 66179

Creed,

Thank you for the Notice of Pending Public Hearing for proposed expansion of existing mechanics shop at 33020 Highway 99E Tax Lot 1300 T12S R4w Section 12AD

I only have one general comment: Any work proposed by the applicant, or required by the City, within highway right of way would require the applicant to obtain a permit from ODOT. Permit applications can be obtained by contracting ODOTS's District 4 Maintenance Permits Office at 541 757 4211.

Thank you

- duane
